### ## ai chatbot Classification

**\*\*Description:\*\*** Use ML to classify and organize ai chatbot data.

#### ### Available GitHub Datasets

[FareedKhan-dev/AI-Chatbot-Conversation-Dataset](https://github.com/FareedKhan-dev/AI-Chatbot-Conversation-Dataset)

A Day in the life of an AI Chatbot. The original data contains 500k conversations, but this is just a sample. You can download the 10k dataset with personal and ...

[Open AI Chatbot with Public Datasets](https://github.com/kevinbtalbert/openai-chatbot)

This repository demonstrates how to use OpenAI's pre-trained instruction-following LLM (Large Language Model) to build a ChatBot-like web application.

[bitext/customer-support-llm-chatbot-training-dataset](https://github.com/bitext/customer-support-llm-chatbot-training-dataset)

This dataset can be used to train Large Language Models such as GPT, Llama2 and Falcon, both for Fine Tuning and Domain Adaptation.

#### ### Available Hugging Face Datasets

[ai chatbot dataset (Hugging Face)](https://huggingface.co/datasets?search=ai+chatbot)

Explore datasets for NLP, vision, and more on Hugging Face.

### ### Available Kaggle Datasets

[ai chatbot dataset (Kaggle)](<https://www.kaggle.com/search?q=ai+chatbot+dataset>)

Find ML datasets for your use case on Kaggle.

## ## ai chatbot Prediction

**Description:** ML models to predict trends and outcomes in ai chatbot.
